

Mission and Goals for Public Art

Public Art Subcommittee- This committee will provide suggestions on artwork including but not limited to murals and sculptures for key areas of the Main Street corridor and Civic Center areas.

Goals:

1. Have a community art event
2. Seek funding for one or more outdoor sculptures
3. Look for places, people and funding for murals
4. Put a gazebo in green space between turn off of Hwy 41 and Town Hall.

Group is planning a Community Art Event in Fall 2025 where we paint the town's trash cans.

Details on how this event will work are being worked on. Volunteers are needed to help.
